

**MQ313D — CONSUMPTION OF FIBERS IN WOOLEN SPINNING AND  
PRODUCTION OF TOPS AND NOILS AND TOW TO TOP****DEFINITIONS AND SPECIAL INSTRUCTIONS****1. Scope of survey**

This survey covers all establishments consuming fibers in woolen spinning and/or producing tops and noils, including commission work on materials owned by others (fibers laid in mixes for commission spinning on the woolen system, and commission top making).

**2. Figures to be reported**

Companies with more than one establishment manufacturing the products covered by this survey are requested to complete a separate report form for each location. If you have not received a separate form for each of your establishments, please call the contact shown on the report form or write to the U.S. Census Bureau for additional forms.

**a. Top production**

Figures on top production should include only first combings; exclude recombined materials. Classify mixed tops according to chief fiber content.

**b. Units of measure**

Report all figures in thousands of pounds. For fibers laid in mixes for spinning, report in thousands of pounds as laid in mixes.

**3. Definitions**

The terms "wool," "reprocessed wool," and "reused wool" are used in accordance with the definitions in the Wool Products Labeling Act of 1939.
